rune

## Rune

Rune has its roots in rituals and symbolic marks with a hand-drawn quality. Metal amulets and ornaments combined with the mossy covered bark of the Silver Birch tree have inspired the character and colour palette of Rune, which comes in nine light and soft shades.

## Myth

Myth takes inspiration from ancient forests. The riven texture of tree bark plays with the abstract framework of a dense woodland. Inspired by the darker barks of Blackthorn and Ash, Myth comes in nine mid-toned shades.
